Target Audience:	Preschool teachers and paras
Description:	Early Learning Guidelines training workshops have been created to assist early childhood caregivers/teachers and other adults with information about supporting the learning and development of children. The ELGs are based on research and evidence about child development and practices that result in the best outcomes for young children. This training is appropriate for preschool teachers and paras to support their 15 "seat hours" of professional development or to assist paras in becoming "highly qualified".
