Description:	We will be combining 2 workshops into one action filled day! Tier 2 Check-In / Check-Out: Check In/Check Out (Hawken, 2020) is a simple, evidence-based intervention that provides students with positive connections with adults, and increased feedback on their performance throughout the day. Teams will learn how to install CICO, the essential components of the intervention, and how to monitor student progress. Tier 2 Beyond CICO: This training focuses on implementing additional Tier 2 supports with an emphasis on direct teaching of social-emotional skills and modifying interventions to meet student needs, including utilizing function-based thinking to determine appropriate support.
Materials Required:	None needed
