

Continuous Improvement: Team Leader, Team Member, and Host School Training

Join the NDE Accreditation team for a day of immersion, overviewing the tools available for successfully navigating continuous improvement. This session is for all educators and those serving as a Nebraska Continuous Improvement on-site visit team leaders, team members, or for hosting a five-year visit, no matter where you are on the five-year cycle.

This session is for both experienced and novice educators. Time will be devoted to exploring the Host School / Team Leader Responsibilities Handbook, prepping for the visit, building the team's capacity, and finishing the cycle strong.

Trainings will be held at three different sites throughout the state. Please click on the date / site that works best for you and register for your session.
